McCormick rang up the sale and turned to look into the mussles of the cash register.

The robbery was in all respects a counterpart of another in Manhattan as few days ago and shows that two or more men are engaged in a systematic campaign on United Cigar Storm, such as was waged by a gang of thieves last year.

## Levy of 25 Cents Per Horsepower on Owners and \$1 on Sales of Cars Is Voted.

\$16,000,000 REVENUE

WASHINGTON, Oct. 1.-Democrats of the Senate Sub-committee on Finance voted to-day to substitute for the tax of two cents a gallon on gasoline in the war revenue bill a tax on owners of 25 cents per horsepower on automobiles and \$1 per horsepower on automobile sales by manufacturers. The committee estimates that would yield an annual revenue of \$16,000,000.

An owner of a thirty horsepower car would pay an annual tax of \$7.50 and a manufacturer selling such a

machine would pay \$30.

Senator Williams introduced amendments to tax government employees except the President, Supreme Court Justices and Congressmen one half of one per cent. of their salaries, and to eliminate the tax on casualty described. casualty, damage and accident insur-ance. Another amendment would tax retail liquor dealers from \$25 to \$300 a year according to the volume of their business.

Senator Thompson of Kansas pro-

posed an amendment to increase the internal revenue tax on distilled liq-ors from \$1.10 a gallon to \$1.25 on liquors in bond and hereafter pro-duced,

## PADDY SULLIVANS WIN THIRD ASSEMBLY DISTRICT

Long Factional Fight Ends in the Defeat of Johnny

White. Along the Bowery they are complaining that in the publication of the election returns one of the most important features of the entire primary was completely overlooked. That feature is that the Paddy Sullivans defeated the Johnny Whites in the Third Assembly District.

C. J. Morosco, the Paddy Sullivan candidate for the Assembly, won without any trouble. That eminent authority on the Constitution, Harry Oxford of the Howery, was nominated by the Paddy Sullivans as a delegate to the Constitutional Convention.

The Tammany leadership and authority in the Third District have been in dispute ever since "Hig Tim" Sullivan became incompetent to look after things in his own bailiwick. After the death of "Hig Tim" the battle became virulent, with Paddy Sullivan leading one faction and Alderman Johnny White and Senator Pitzgerald they the burden of fighting Paddy Sullivan onto White and the Paddy Sullivan overwhelmed him.
